Designed with Your Comfort in Mind

Innovation, efficiency, quality: Our Carrier boilers offer dependable heating and efficient performance you'll appreciate every day this winter. Throughout our boiler line, we never lose sight of the Carrier quality, environmental stewardship and lasting durability that have endured for more than a century.

EFFICIENCY

AFUE (Annual Fuel Utilization Efficiency) ratings are like a car's MPG – the higher the number, the greater the potential for savings. Our Performance™ 86 oil boilers deliver up to 86.2% AFUE heating and the Performance™ 84 gas boiler achieves up to 84.4% AFUE. Both offer the potential for savings over an older, less efficient model you may be replacing.

VERSATILITY

Carrier boilers are engineered for big performance from a compact cabinet. These models should easily fit into the space of an older, larger unit you may be replacing, and provide greater versatility for new installations.

Carrier
CONSUMER CHOICE WARRANTY

At Carrier, we know purchasing a new heating or cooling system is a big investment. Take ownership in helping protect your investment. Carrier is excited to offer you a Consumer Choice Warranty option. Most Carrier products come with the option to select the warranty of your choice. Dealer participation is required.*

LIMITED WARRANTY

To the original owner, the Carrier Performance 86 (BW5, BW4) and Performance 84 (BW3) boilers and the Comfort™ 84 (BWB) boiler are covered by a 10-year parts and 20-year heat exchanger limited warranty upon timely registration. The Comfort 80 (BS2) has a 10-year parts and 12-year heat exchanger limited warranty upon timely registration. The parts limited warranty period is five years if not registered within 90 days of installation except in jurisdictions where warranty benefits cannot be conditioned upon registration. See warranty certificate at carrier.com for complete details and restrictions.

* Upon timely registration, on eligible equipment select either a 10-year parts only limited warranty or a five-year parts + three-year labor limited warranty. Dealer participation required. See limited warranty certificate at carrier.com for complete details and restrictions.

The Carrier Difference

If you could look under the hood of a Carrier Performance™ 86 boiler, model BW5, you'd see what drives the performance: a serious commitment to quality. This boiler provides excellent heat transfer and energy efficiency with its cast iron heat exchanger. It also features an electronic ignition system and tankless coil water heater.

Both our Performance 86 oil boilers, models BW5 and BW4, provide dependable heating and energy-efficient comfort backed by one of the most trusted and recognized names in comfort: Carrier.

More Than a Century of Cool

In 1902, a determined engineer answered one of mankind's most nagging questions: How do we make hot, sticky, indoor air go away? In creating the world's first modern air conditioning system, Willis Carrier forever changed indoor life, and, more than a century later, the corporation that bears his name takes inspiration from his example.

Carrier strives to improve on our founder's breakthroughs, introducing new technologies that make life at home even cooler. Today, a nationwide network of experts continues to advance Willis Carrier's lifework. Your expert Carrier dealer is equipped to evaluate your home and create a customized system designed around your lifestyle.
