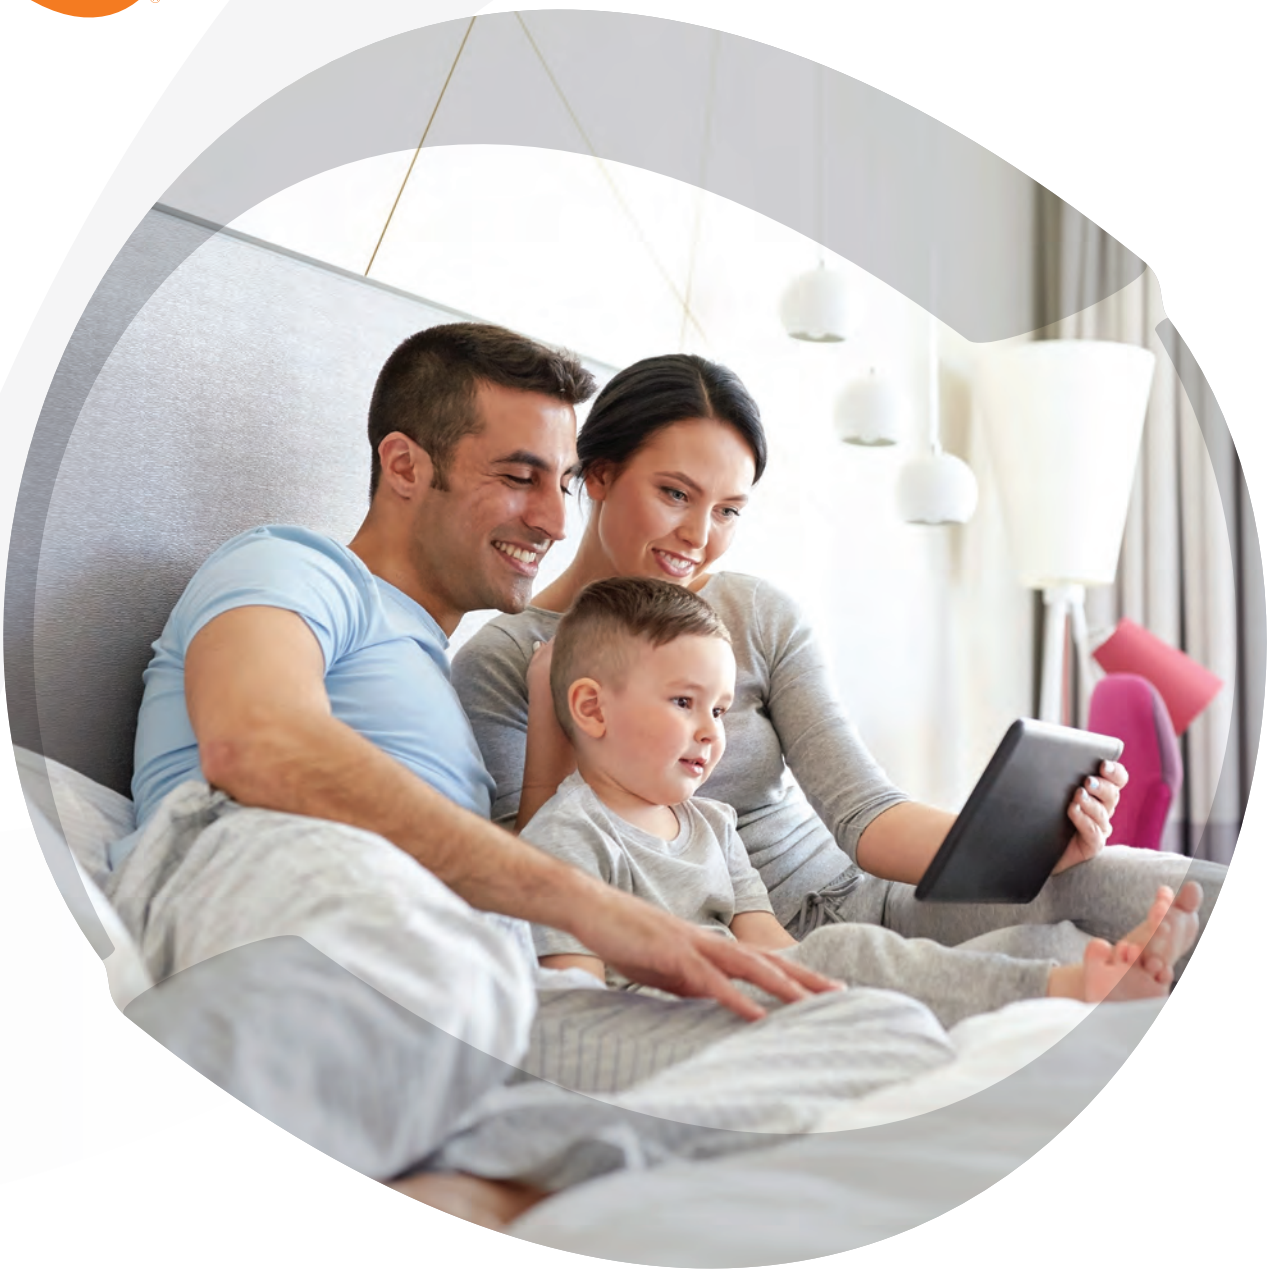
Payne®



Air Conditioners & Evaporator Coils

featuring

R-454B

OUR PROMISES

The Well-Built Warranty.
Every air conditioner and evaporator coil we build is covered with a 10-year parts limited warranty to the original owner of the properly registered product.*

Run-tested and right for you.
Because we only feel comfortable providing you with long-lasting comfort and efficiency, only products that complete our testing with a 100% success rate make it out of the factory.

WHAT IS SEER2?

Like a car's mpg,
SEER2 (Seasonal Energy Efficiency Ratio) is the measure of cooling efficiency for an air conditioner. It tells you how much heat is removed from your home in relation to how many watts per hour it takes to reach your set comfort level. The higher the number the better, because when you waste energy you waste money.

* Warranty period is five years if not registered within 90 days. Jurisdictions where warranty restrictions are not allowed will automatically receive a 10-year parts limited warranty. See warranty certificate at payne.com for complete details, terms and exclusions.

PEACE OF MIND

When you purchase Payne products,
you will soon find out why they are right for you. Our products aren't just affordable – they're built to perform.
